

EXCITING JOB OPPORTUNITY IN HISTORIC BUILDING CONSERVATION

The Mihai Eminescu Trust is looking to hire a young architect to design and supervise its restoration projects in the Saxon villages of Transylvania. The architect will benefit from working closely with our experienced conservation architect, Jan Huelsemann from Germany.

The ideal candidate will have a passion for saving historic buildings, a feeling for traditional crafts, and an understanding of traditional building techniques. We are looking for someone who enjoys working with local people in the villages and is interested in a potentially long-term commitment.

This is the perfect position for an architect who is looking for a career in restoration.

The job is based in Sighisoara (the Trust will help with relocation if necessary).

Starting date: 1 August 2008

Duration: 1 year (with a 3-month trial period)

Minimum requirements:

- At least 1 year's work experience
- Good spoken English
- Driving license

Salary: to be discussed at interview.

To apply, please send your CV and a letter of intent, in English, to cvranceanu@mihaieminescutrust.org
