

UIA CONGRESS  
TOKYO  
25-28 SEPTEMBER  
2011

#### FOUR INTERNATIONAL COMPETITIONS FOR UIATOKYO 2011 COMMUNITY DESIGN FOR CHILDREN'S FUTURE

'Wisdom and Dreams' is the theme proposed to to children, adolescents, young people and everyone around the world who would like to offer ideas that can provide children and the residents of disaster stricken areas in Japan an environment that will allow them to assume the responsibility of the future with confidence. Organised with the support of UNICEF-Japan in the framework of the Japan recovery programme.

Deadline for submissions: 15 July 2011
