To Whom It May Concern:

Project A01 Architects would like to say what a pleasure it was to have Andreea Hriscu as a junior Architectural Designer in our office. We hope she enjoyed her time in our office and has benefited as much from this experience as we have benefited from her work.

During her work from 1<sup>st</sup> October 2010 until 24<sup>th</sup> December 2010 Andreea was provided with a variety of tasks to complete.

We can recommend Andreea Hriscu for an architect position. Her abilities, her work contribution and her friendly nature were a welcome addition to our team. I would like to wish Andreea all the best for her future career.

Yours sincerely,

Dipl. Ing. Andreas Schmitzer
