

2016 UIA Approved

International Competition for Architectural Ideas

Suncheon Art Platform

THE VISION

The city of Suncheon seeks for ideas for the Suncheon Art Platform to be built on the site with rich historical trails.

The Suncheon Art Platform is composed of an art center, a visitor center, and the new Yeonja-ru. The Art center will be a place for cultural exchanges between the local community and the visitors to Suncheon. The Visitor Center will be a hub for Suncheon urban tour. The new Yeonja-ru will be a new iconic landmark of the city through creative interpretation of the old. Reassembling historic assets scattered throughout the city in tandem with the ongoing Urban Regeneration Projects, the Suncheon Art Platform will play a crucial role in cultivating cultural heritage of the city and revitalizing the economy of the Old City

Timetable

Mar 11, 2016: Closing date for inquiries

Mar 21, 2016: Answers to inquiries (to be notified on the competition website)

Apr 15, 2016: Closing date for Registration

Jun 6, 2016: Announcement of results on the competition website

July 1-15, 2016 : Award Ceremony and Exhibition

Eligibility

- All registered or non-registered professionals around the globe.
- All current students and matriculated experts who majored in architecture, city planning, and related fields.
- Although there is no limit to the number of members in a team, duplicate registration is prohibited.
- Multidisciplinary teams are encouraged.
- If participants choose to submit as a team, each team must appoint a representative.

* Students should be advised from a professor/instructor whose name should be stated in the registration form under 'Advisor'

* In the case when 'advisor' is used, all rights regarding the proposition belong to the students not the advisor.

Prizes and Awards

1st place (a person or a team): USD \$60,000

2nd place (a person or a team): USD \$40,000

3rd place (3 persons or teams): USD \$10,000 each

Honorable mentions (Majority): Plaque

* If the client, the city of Suncheon, decides to advance the winning project for realization, a separate contract could be made between the city of Suncheon and the author of the first prize project as architect by forming a consortium with architect/architectural firm registered in South Korea.
